

Our Healthcare Team makes BDA's recommended list

Our specialist healthcare team at Douglas-Jones Mercer is delighted to announce that it is one of the first law firms in Wales to be registered on the British Dental Association's panel of specialist solicitors for Dentists.

Mike Price a Director at Douglas-Jones Mercer said:

"It speaks volumes that we are one of the first law firms in Wales to achieve a listing on the BDA panel and, as our client roster continues to grow in this specialist area, this listing is certainly a recognition of our expertise."

Our Healthcare team has experience in working with healthcare organisations across the country including Dentists, General Medical Practitioners, Pharmacists, Optometrists, Nursing & Care homes, medical device companies and pharmaceutical companies.
