

Template COVID-19 Risk Assessment

Assessment completed by: Job title/role: Barry Davies, Practice Director

Date last updated: 29/1/2021

Date of next scheduled review: 28/02/2021

Risk title	Description & consequence	Mitigation	Action by who and by when?
1. Spread of COVID-19 in the firm	<p>This will result in multiple individuals (partners, associates, and staff) becoming infected and possibly seriously or fatally ill</p> <p>Vulnerable workers could be worst affected</p>	<p>Review onsite and offsite work arrangements including working from home, setting rotas, and placing staff in teams for onsite working. For example, team A to be in the office on week 1 and 3 of the month and team B to be in the office on week 2 and 4 of the month.</p> <p>Take steps to review work schedules including start and finish times/shift patterns, to reduce the number of people on site at any one time, to include a register of who is on-site at any given time as part of our internal 'track and trace' system.</p>	Practice Director with support of Departmental Heads monthly.

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>Set an upper occupancy limit of 50% for our offices at any time. Due to the size of our office in sq. feet this is adequate in addition to social distance measures, room availability, and clear signage.</p> <p>Consider additional measures for vulnerable staff such as rooms away from open plan areas, where possible.</p> <p>Desks removed (or desks sealed with tape) to encourage physical distancing</p> <p>Closure of canteen/communal areas and putting in place social distancing markers and measures in communal areas.</p> <p>No one feeling ill will be allowed to come to work</p> <p>Communication and awareness-raising posters referring to the above measures</p>	

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>Enhanced cleaning regime, including for toilets, and frequent touchpoints such as door handles, light switches, reception area using appropriate cleaning products and methods</p> <p>Hand washing awareness: see the NHS guidance</p> <p>Sanitation products (hand sanitiser, cleaning wipes) widely available. Consider providing a 'cleaning pack' for staff with hand gel, wipes etc</p> <p>Review HR sickness policies</p> <p>Reminding everyone of the public health advice through posters, leaflets and other materials made widely and prominently available: see the government guidance</p> <p>Measures to prevent people from placing personal item as (such as coats/bags) in places where they may contribute to transmission.</p>	

Risk title	Description & consequence	Mitigation	Action by who and by when?
<p>2. Spread of COVID-19 to clients or visitors</p>	<p>This will result in multiple individuals (Directors, staff, visitors/clients, and contractors) becoming infected and possibly seriously or fatally ill</p>	<p>Any outdoor events to take place following social distancing and limited to 30 people</p> <p>Indoor events not to take place (to be reviewed in February 2021)</p> <p>Face-to-face meetings discouraged unless essential with conference calls to be used instead</p> <p>Upper limit on meeting numbers determined by available room size</p> <p>Meetings staggered so no congestion possible</p> <p>Enhanced cleaning regime, including before/between/after each individual meeting</p> <p>Sanitation products (hand sanitiser, cleaning wipes) available inside each meeting room</p>	<p>Practice Director with assistance from Department Heads and reception staff, monthly.</p>

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>No catering/refreshments offered inside meeting rooms</p> <p>Pre-meeting notification sent to all attendees asking them to stay away if feeling unwell</p> <p>Temperature checks at building entrance will keep away any external attendee with an elevated temperature</p> <p>Physical distancing in place in reception/waiting area and in corridors, or near communal copying areas.</p> <p>No cloakroom service – visitors should look after their own personal items</p>	
<p>3. COVID-19 case (suspected) in our offices</p>	<p>This may result in the individual staff member experiencing medical distress on-site and could increase the risk of onward transmission of the virus among other people with whom the individual has been in proximity</p>	<p>The single point of contact who will lead the response, including contacting local public health teams will be Barry Davies – Practice Director and in his absence* any other Director. *Absence meaning not available for work through incapacity and</p>	<p>Practice Director and other Directors, monthly.</p>

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>not limited to being physically present in the office.</p> <p>The response plan will be:</p> <ul style="list-style-type: none"> - Contact the staff member to ensure that he/she gets a test as soon as possible and self-isolates until test result is provided. - Get in touch with the individuals that are part of that staff member's team or shift group and ask them to work from home (reassess next steps once the results of the test are available. If the test is positive, then self-isolate for 10 days) - Contact NHS Test and Trace and assist them with the details required. - Inform management team 	

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>If there's more than one case of COVID-19 reported in the office we will contact the local PHE health protection team to report the suspected outbreak</p> <p>If anyone becomes unwell with a new continuous cough, a high temperature or loss of sense of smell in the workplace, they will be sent home and advised to follow the stay at home guidance</p> <p>Directors and managers to increase the frequency of contact with those they supervise during this time</p> <p>Reemphasise that no-one feeling ill can come to the office of any condition and not limited to Covid-19.</p> <p>Temperature checks at building entrance should prevent anyone with an elevated temperature entering the office</p>	

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>Maintaining up-to-date contact information (including emergency contacts) for all Directors and staff</p> <p>Record keeping on who is in and where in the office on a given day to aid potential contact-tracing efforts and processes and keeping this information for 21 days as per the Government's guidance.</p>	
<p>4. COVID-19 transmission via communal resources or areas</p>	<p>This may result in increased risk of transmission, including to/from clients and visitors</p>	<p>Review marketing material (brochures and literature), newspapers and magazines and consider if they should be removed from client reception area</p> <p>Libraries to develop a special protocol for cleaning all books, journals and other publications held in the open areas.</p> <p>Communal use pens to be removed from meeting rooms and open plan areas.</p>	<p>Practice Director and Reception staff monthly.</p>

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>If a member of staff or visitor has tested positive for COVID-19 and was recently on the premises the firm will follow the action plan set in section 3.</p>	
<p>5. COVID-19 transmission via mail/packages</p>	<p>This may result in increased risk of transmission by handling of objects</p>	<p>Cleaning protocol is in place for all incoming mail and courier packages</p> <p>Staff advised to clean any mail/post items delivered to their desks (wet wipes to be provided)</p> <p>Drop off and drop on zones should be used.</p>	<p>Practice Director and mail room staff monthly.</p>
<p>6. Mental health problems and poor wellbeing</p>	<p>This may result from increased stress caused by home-working and the lockdown, potential bereavements, increased caring responsibilities, elevated incidence of anxiety and depression associated with isolation, concerns about personal and family circumstances and job security</p>	<p>Signpost to LawCare resources and the Law Society's mental health resources</p> <p>Increase volume of guidance materials and resources available</p> <p>Raise awareness on any Employee Assistance Programme (EAP) offering access to additional resources and support</p>	<p>Practice Director as Mental Health First Aider (wales), quarterly.</p>

Risk title	Description & consequence	Mitigation	Action by who and by when?
		<p>Adjust policies around home working and leave-taking to support working parents</p> <p>Regular internal communications from senior leadership emphasising self-care and regular and inclusive communication. The emphasis should also be on honesty and transparency about the difficulties the firm is facing and how to best manage these together</p> <p>Regular communication of mental health information and an open-door policy for those who need additional support</p> <p>Provide assurance over measures taken to protect employees' health and safety</p>	
7. Ergonomic injuries	Insufficient chairs, screens, footstools, desks etc. may be available in the office in the event staff have taken equipment home.	Where possible, people to be asked to bring their more portable ergonomic equipment (such as keyboards, wrist supports or	Practice quarterly. Director,

	It may be difficult to perform workspace risk assessments whilst maintaining physical distancing or if people sit in different locations each time, they are in the office	mice) with them when working in the office	
8. Public transport virus transmission	Crowded and unsanitary conditions on public transport services	<p>Staff to consider the bike to work scheme that makes buying a bicycle very cost-effective.</p> <p>If staff members need to travel (for example to courts or to do site visits) they should not share vehicles or taxis, unless suitable distancing can be achieved.</p> <p>Staff members must not car share during the working day such as lunchtime.</p>	Practice Director and Directors, quarterly.
9. Car/bike park virus transmission	Narrow spaces in the firm's carpark or bicycle storage area may elevate the risk of person-to-person transmission	Set a 50% of occupancy limit	Practice Director and reception staff, quarterly.
10. Safety and security at building entrance	There is a risk that individuals waiting for extended periods of time at building entrances due to physical distancing and temperature checks experience	Staggered arrival times for those attending the office should limit congestion	Practice Director and reception staff, quarterly.

Risk title	Description & consequence	Mitigation	Action by who and by when?
	adverse weather-related health impacts or could be subject to opportunistic crime/harassment	Staff encouraged to arrive early before temperatures rise and decrease.	
11. COVID-19-related stigma and harassment	Risk that there is an increase in targeted harassment or stigma directed at individuals who have been ill or are from a specific ethnic background	<p>Reporting channels to permit investigation and where proven appropriate misconduct procedures followed</p> <p>Directors and managers to offer support to staff who are affected by COVID-19 or have a family member affected</p> <p>Review the organisation's bullying and harassment policy and remind managers of it</p> <p>Publish or signpost colleagues to facts about COVID-19 to dispel myths</p> <p>Ensure senior figures in the organisation issue and support messages about values and diversity and inclusion</p>	Practice Director and Heads of Department, quarterly.

Risk title	Description & consequence	Mitigation	Action by who and by when?
		Reminder training on unconscious bias	
12. Non-compliance with government regulations	Risk that a member of the firm ignores firm's guidance	<p>Communicate the importance of the adherence to the rules</p> <p>Stricter enforcement of rules against people continuing to attend the office while feeling unwell</p>	Practice Director, and other Directors, quarterly.
13. Impact on protected characteristics	<p>Be aware of the impact measures you are taking might have on protected characteristics and take appropriate action to mitigate that impact.</p> <p>Some examples: New traffic flows through the building may affect accessibility.</p> <p>Reduced room capacity due to social distancing might limit how many people can access a faith or quiet room.</p> <p>What might the impact be on those who are pregnant or new mothers.</p>	<p>Liaise with staff groups to inform the measures you are taking.</p> <p>Conduct an equality impact assessment on new measures.</p> <p>Refer to best practice guidance available through various sources including the Law Society, Law Works, EHRC and other bodies.</p>	Practice Director and Heads of Department, quarterly.
