- **Disbursements**

Disbursements are costs related to your matter that are payable to third parties, such as search fees. We handle the payment of the disbursements on your behalf to ensure a smoother process. There are certain disbursements which will apply depending on the individual circumstances of each case.

*These fees vary from property to property and can on occasion be significantly more than the ranges given above. We can give you an accurate figure once we have sight of your specific documents.

However, below we have suggested some key stages that you may wish to include:

- Take your instructions and give you initial advice
- Check mortgage offer and advise on the same
- Carry out searches or insurance if acceptable
- Obtain further planning documentation if required
- Give you advice on all documents and information received
- Go through conditions of mortgage offer
- Send documents to you for signature
- Advise you on joint ownership

- Obtain pre-completion searches
- Agree completion date
- Arrange for all monies needed to be received from lender and you
- Complete purchase
- Deal with application for registration at Land Registry

How long will my re-mortgage purchase take?

How long it will take from your offer being accepted until you can move in to your house will depend on a number of factors. The average process takes between 2-4 weeks. It can be quicker or slower, depending on the circumstances.

* Our fee assumes that:

- a) this is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- b) the transaction is concluded in a timely manner and no unforeseen complication arise
- c) all parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
- d) no indemnity policies are required. Additional disbursements may apply if indemnity policies are required.
